NFC (Near Field Communication) Technology

- **What is it?** Wireless data transfer that allows a user to access information by simply tapping an NFC enabled device over our product. Pictures, Video, audio files, Geo location and many more options become instantly available through a link enabled on the NFC product.
- **What's required?** Unlike QR Codes, you do not have to download an app to use NFC1. All you have to do is make sure that the NFC feature is turned on in your mobile phone. NFC functionality is not available on older models.
- **Imprints with NFC:** The NFC tags can currently be embedded in an indented dome as well as under any patched branding solutions. Minimum dome or patch size required to be able to embed an NFC tag: 1.5"x1.5"

Glossy Tone-on-Tone Wrap

The h2go rincon bottle is a 18 oz single wall borosilicate glass bottle with a threaded bamboo lid and translucent soft touch finish for cold beverages. Standard imprint is 1 color, 1 location but you can upgrade to have a full wrap with a glossy tone on tone imprint which creates a see-through effect. Additionally, you can add an imprint to the lid!

Embossed Apparel

- **What is included?**
A fully custom cut and sew garment, embossing, your private label, and screen printing all over any garment.
- **What is Embossing?**
Embossing is a custom decoration method designed to give a product 3D depth. Embossing stamps an image, text or logo, that is raised above the products surface. It creates an impactful aesthetic, adds a tactile dimension, holds finer detail than debossing and great for promotional apparel!

Marine Layer Custom Colors

Marine Layer makes high quality, built to last, super soft apparel. 80% of their custom clothes are made in the USA. 81% of their custom clothes are made with sustainable materials. They can produce 7 different styles in any Pantone color of your choosing. Plus, they'll make it happen faster than anybody else.

Minimum order is 100 units per color and can be combined with different styles in the same fabric.

Signature V-Neck: Men's and Women's

A thin collar, the perfect amount of V, and the most amount of soft. Available in any color you can imagine.

Signature Long Sleeve: Unisex

What's even better than our Signature Tee? Our Signature Long sleeve, which is just like our crewneck with longer sleeves. The best lightweight layer around, in our opinion. Available in any color you can imagine.

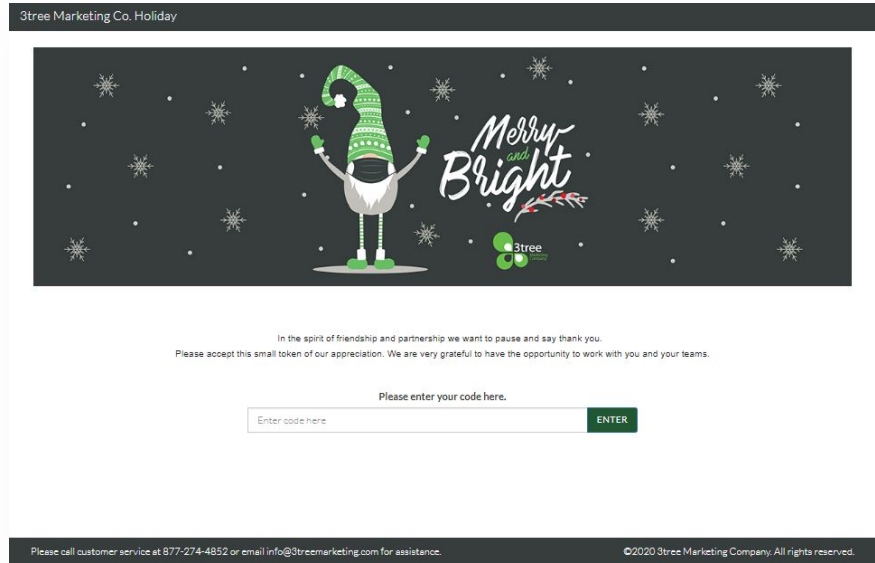

Sherpa Crew Pullover: Men's and Women's

Made with a custom, durable Tri-Blend loop terry fabric that we developed to take dye especially well (so it'll match - and stay - whatever color you choose.)

Signature Crew: Men's and Women's

Not only are they the most absurdly soft shirts you'll ever wear, but they're also made with recycled beechwood, so they're sustainable too. It's the crew of your dreams: soft, never see-through.
